PONY PARTIES

My Little Pony Parties

Especially for pony mad children: My little pony with real ponies!

Dress up the ponies, plait their manes and tails, do their ribbons add sparkle and glitter, create your own winged unicorn. Go for a ride on a carriage with the wonderful unique magic Persian ponies. Wear your own princess fancy dress outfits

We provide the ponies, the glitter, the ribbons and the wings and horn for the unicorn. We safely help the children create their my little pony fantasy and take them for their drive with the ponies.

We also provide a clean decorated my little pony stable with table and chairs for the picnic tea which you provide. If the weather is poor there will be special pony party games in the large covered barns. Hand washing and toilets on site so the children will be clean before tea.

Up to eight children catered for prices from £100 per session (90mins) .

OR : Princess for an hour.

Bring your little princess for a special drive on her own carriage drawn by our magic Persian Ponies (mum or dad plus a friend can accompany) The ponies will be specially dressed for the occasion and we will plait them with the ribbons of your choice. £70.00
